

10 Ways to Use See the Signs Trainings!

1. Incorporate workplace trainings into your agency's [domestic violence](#) or [sexual assault](#) awareness month activities.
2. Contact local **business associations** to host a video vignette viewing and discussion at their next membership meeting.
3. Contact the nearest **human resources association** chapter in your community to share information about the free trainings and offer to show a video at an upcoming meeting or event.
4. Incorporate the training materials into any **employee orientation** trainings you currently conduct in the community.
5. Send a [letter to the editor \(see sample\)](#) encouraging local businesses to host a training.
6. Challenge your **board members** to take the online training.
7. Show a video vignette as part of your **volunteer orientations and trainings**.
8. Share information about the free trainings at your next **community coalition event or meeting**.
9. Add trainings information to your organization's **website**.
10. Post one of the [video vignettes](#) on **social media** and share information about how employers can contact your organization to schedule a training.
